

# *Marcelo H. García's 50th Birthday Celebration*

A workshop to remember  
16-18 August 2009, Urbana, Illinois

<http://vtchl.uiuc.edu/conf/mhg50/>

## Sunday August 16 2009

5:00 pm – 8:00 pm	Reception	Illini Union , Colonial room	
-------------------	-----------	---------------------------------	--

## Monday August 17 2009

9:00 am – 9:30 am	Workshop opening and welcoming	Hydrosystems Laboratory, room 1518	
9:30 am – 10:20 am	Keynote lecture by Gary Parker	Hydrosystems Laboratory, room 1518	Title: "Research Contributions of Marcelo H. García, or at least Those Before the Still Young Age of 50"
10:20 am – 10:40 am	Coffee break	Hydrosystems Laboratory, room 1518	
10:40 am – 12:20 pm	Technical session	Hydrosystems Laboratory, room 1518	
12:20 pm – 2:00 pm	Lunch break		Note: lunch not provided
2:00 pm – 2:50 pm	Invited lecture by James Best	Hydrosystems Laboratory, room 1518	Title: "Sediment-laden, dirty flows: turbulence modulation and environmental significance"
2:50 pm – 3:10 pm	Coffee break	Hydrosystems Laboratory, room 1518	
3:10 pm – 4:10 pm	Technical session	Hydrosystems Laboratory, room 1518	
4:10 pm – 4:20 pm	Coffee break	Hydrosystems Laboratory, room 1518	
4:20 pm – 5:20 pm	Technical session	Hydrosystems Laboratory, room 1518	
6:00 pm – 9:00 pm	Barbeque and Laboratory tour	Hydrosystems Laboratory, main laboratory	

## Tuesday August 18 2009

9:00 am – 9:50 am	Keynote lecture by Yarko Niño	Hydrosystems Laboratory, room 1518	Title: "Hydropower projects in Chilean Patagonia. Insights into the baseline hydrodynamics"
9:50 am – 10:10 am	Coffee break	Hydrosystems Laboratory, room 1518	
10:10 am – 12:10 am	Technical session	Hydrosystems Laboratory, room 1518	
12:20 pm – 2:00pm	Lunch break		Note: lunch not provided
2:00 pm – 2:50 pm	Invited lecture by Juan Pedro Martin Vide	Hydrosystems Laboratory, room 1518	Title: "Bed resistance and sediment transport in experiments with sand-gravel antidunes"
2:50 pm – 3:10 pm	Closing remarks	Hydrosystems Laboratory, room 1518
